Community News: Round Up From January

It is good to see lots of children enjoying the new football coaching sessions. They continue on Wednesdays - sign up on arbor, if you have not done so already and want to take part.

The pupil ambassadors have been working hard with Michael from Salford CVS learning all about how to support older people to live well for longer. They have been enjoying his weekly workshops and are looking forward to the coffee afternoon they have planned. If you would like to attend with an older family member, please let the office know. The coffee afternoon is on 11.2.26 from 1.30-3pm. We will then run a 5 week course for older people to connect with one another on Wednesdays in the hub—please tell anyone over 50yrs old, who may be interested in taking part. 1.30-3pm.

I have been busy planning 100 days of community activities with other community groups for March-July to celebrate Salford's 100th birthday.
