

Sports' Premium Impact Statement 2019-20

Autumn 2020

Rationale

The government is spending over £450 million to help primary schools improve the quality of the PE and sport activities they offer their children.

At Dukesgate we believe that sport and PE are extremely important to the physical and emotional well-being of our children. We are dedicated to raising standards in PE and ensuring that more children are becoming more active and engaged in sports. We strongly feel that a fun, varied and competitive PE curriculum and extra-curricular sporting activities have a positive influence on all children and provides a great foundation for an active and healthy future.

In April 2013, the government announced new funding of £150 million for Physical Education (PE) and sport. This funding is to be used to improve the quality and breadth of PE. Schools are free to determine how best to use this funding to improve the quality and breath of PE and sport provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

How much Sports' Premium did Dukesgate receive for the year 2019 – 20?

Dukesgate received a grant of £17,690 for the year 2019 – 20.

What was the purpose of the grant?

This money was to be spent on addressing the following key outcome indicators:

1. Developing healthy lifestyles through regular physical activity to promote children's well-being;
2. Raising the profile of PE and sports as a tool for whole school improvement;
3. Increasing the confidence, knowledge and skills of all staff in teaching PE and sports;
4. Increasing the range of sports and activities available to children at Dukesgate;
5. Increasing the participation in competitive sports within the area, Salford and Greater Manchester.

Summary of how the Sports' Premium was spent in 2019 – 20 and the impact of this spending

Key Outcome Indicator	Implementation	Cost	Impact
1.	<p>To increase the activity levels of pupils at playtimes & lunchtimes.</p> <ul style="list-style-type: none">• Organised games at unstructured times of day, led by qualified coaches or additional support staff;• Purchase additional playground equipment to engage less confident and reluctant pupils in activity;• Timetable zones in the playground to ensure maximum use is made of all space;• Timetable different classes to different activities to maximize take up of physical activities on offer;• Additional support staff timetabled to proactively engage targeted pupils to support their well-being and social skills through physical activity and team games.	<p>£3,000</p> <p>£3,000</p>	<p><i>Until March 2020</i></p> <p><i>Pupil voice through School Council reports an increased number of pupils engaging in both indoor and outdoor organised sport.</i></p> <p><i>Breakfast Club registers show 60% of attendees engage in physical activity before the school day over the week.</i></p> <p><i>Behaviour Logs indicate fewer incidents of poor behaviour over lunchtimes since 2017.</i></p>
2.	<p>To provide additional sports' participation through increasing the range of sports offered as after school enrichment clubs in response to pupil voice.</p>		<p><i>Until March 2020</i></p> <p><i>A variety of different sporting activities and clubs were offered to</i></p>

	<ul style="list-style-type: none"> External coaches delivered a range of extra—curricular clubs. Pupil voice through School Council to determine the offer. Purchase additional PE kit, including team kits for competitions, to ensure all pupils are appropriately dressed and enabled to participate. 	<p>£3,000</p> <p>£590</p>	<p><i>children including; Street Dance, gymnastics, football, dodgeball, cricket, rounders, basket ball and multi-skills</i></p>
3	<p>Maintain Bronze level membership of Salford Schools' Partnership to allow access to high quality CPD for PE lead teachers.</p> <ul style="list-style-type: none"> Cost of supply cover for X 2 CPD days for PE leaders to attend conferences. 	£1,000	<p><i>Prior to March 2020</i></p> <p><i>Teacher feedback shows an increase in confidence for delivering high quality PE and games following whole school CPD.</i></p> <p><i>Lesson observations record good practice.</i></p> <p><i>School achieved Bronze Level Games Mark and is working towards Silver level.</i></p>
4	<p>To double the curriculum time for swimming in Yr4 so that 100% of pupils reach the expected standard for KS2 by the end of Yr6.</p> <p>Cost of additional transportation</p> <p>Cost of additional swimming lessons</p>	£3,500	<p><i>Prior to March 2020</i></p> <p><i>Due to Covid 19 restrictions, children only attended swimming for half of the year (impacts on current Year 5, End of KS2 2022).</i></p> <p><i>Contracts had to be honoured, but fewer children achieved.</i></p>
5	<p>Half-termly engagement through Salford Schools' Sports' Partnership and Farnworth Cricket Club in local / seasonal competitions including:</p> <ul style="list-style-type: none"> ○ Basketball ○ Rounders – league winners ○ Swimming ○ Cricket ○ Dodgeball ○ Gymnastics ○ Street Dance <p>Cost of transportation to attend competitions over the year.</p> <p>Cost of supply cover for cluster competitions each half term (PE leads)</p>	£3,600	<p><i>Prior to March 2020</i></p> <p><i>Positive feedback from stakeholders (staff, parents & pupils) identifies how children at Dukesgate enjoy representing their school at competitive events; locally and regionally.</i></p> <p><i>Individual and whole school successes in competitions.</i></p>

Points to Note:

Covid year, school closure in March 2020

Contracts were honoured so spending remained the same.

The current Year 5 only completed 50% of swimming lessons due to school closure and will need to catch up to ensure they meet end of Key Stage expectations for water safety.

Resources were used to support pupils outside of PE lessons to avoid cross contamination at play and lunchtime so will need replenishing for 2020 – 21.

Fitness levels dropped significantly following lockdown and obesity levels increased.

School has invested in a Daily Mile track.
