

Geography Long Term Plan

	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Autumn	Here I am Exploring key human and physical features in the UK and introducing fieldwork	Mini Mappers Studying the human and physical geography of the local area with an introduction to scale and fieldwork	United Kingdom Locating the UK, Great Britain and the British Isles, and regions and counties; identifying human and physical features across the UK and in one region	A village in Brazil Locating lines of longitude and latitude; understanding Brazil's physical features and climate, and its human settlements	Investigating World Trade Understanding the distribution of the world's natural resources and these are traded between places across the world	Improving the environment Recognising the importance of renewable energy and reducing waste, and the actions that humans can take to improve the environment
Spring	There you are Comparing the human and physical features of the UK with a non-European country	Hot and cold deserts Locating hot and cold deserts, and identifying common physical and human features	Investigating mountains and volcanoes Understanding the structure of the Earth; how fold mountains and volcanoes are formed; and the impacts they can have on human settlement using case studies of Etna and La Soufriere	Rainforests Understanding the key features of a rainforest ecosystem, the contributions they make to the world and threats they face (using Amazon Rainforest)	Investigating water Understanding the water cycle and the distribution of the world's water; considering land use along rivers Danube, Mississippi, and Severn	On the move Understanding push and pull factors in migration from the Northern Triangle to the USA, and Syria to countries in Europe; understanding the benefits of migration to the UK
Summer	Where we are Locating countries, continents and oceans and exploring some human and physical features	Rivers, seas and oceans Locating the seas around the UK and oceans of the world. Identifying physical and human features around rivers	Looking at Europe Comparing the human and physical features of the Alps and the Amalfi coast, and exploring how these features interact with tourism.	Earthquakes and human settlements Understanding why earthquakes take place and what effects they had in Haiti and Japan	Climate across the world Understanding time zones, climate zones, biomes, and vegetation belts, and the effects of global warming	I am a geographer Posing questions, completing fieldwork and presenting a geographical investigation
